REED BUSINESS INFORMATION

12,203 RECORDS

4,796 PERSONALISED RECORDS

SOURCE

This list consists of subscribers to Super Review Magazine and Money Management Magazine; these are high profile business people working in the financial sector.

PROFILE

Super Review

The leading audited news and issues magazine dedicated to servicing all segments of Australia's superannuation and investment industry. The readers of Super Review are superannuation fund secretaries, trustees and coordinators, as well as providers of superannuation and investment services.

Money Management

Australia's only independent newspaper for the retail financial services industry. Readers of Money Management are financial advisers working in small, medium and larger practices, fund managers, owners, directors and life insurance professionals.
